Jewish Professor Jeff Sharlet's book about a "secretive Christian group influencing the White House" will be a new Netflix series.

This is what we call "irony."

Jeff advocated doxxing the Covington Catholic high school students, while also characterizing right-wing Christians as traitors to America.

Seems like Jeff is hostile to Christianity.

# Netflix posted a trailer on Youtube for its new series based on my book THE FAMILY, about a fundamentalist Christian political organization. Youtube viewers just want to complain about Jews.
